About Our Horses

The Carriage is drawn by either a Welsh Cob x Hackney (Milly) or a Thoroughbred x Hackney (Milly) and their quiet temperaments, good looks and high stepping action make them first class carriage horses. They are well trained with plenty of experience and used to working in town and country traffic.

The Wedding Carriage

Your wedding transport is a traditional elegant Carriage, one of the most graceful styles of open carriage ever designed. It seats 2 adults comfortably and a page boy/girl ... it is Macross Black in colour with fully upholstered seats. The hood can be raised and lowered with seconds ensuring you remain perfectly dry, whatever the weather!

What's Included

- Champagne for the Bride & Groom ... can be served chilled after the wedding ceremony.
- Carriage decorated in your chosen colour theme ... you can decorate the carriage the day before if you wish.
- Transport from a pre-arranged location (within 4 miles) to the church or wedding venue and then to your reception in horse-drawn style.
- Totally professional & reliable service ... we will be there in plenty of time to ensure you get here on time!
